TECHNICAL DATA SHEET

Purple Power

Purple Power is a powerful PH neutral non-caustic wash with a very high foam, suitable for any vehicle on almost any surface and does not fade paint. Purple Power is a premium, highly concentrated wash and wax that delivers proven and economical cleaning power. Purple Power easily breaks down and dissolves grease, oils, road grime, brake dust, and common traffic films and is easy rinsing for streak free finish.

Suitable for any vehicle on almost any surface. This is our most premium wash that leaves your vehicle with a beautiful shine.

INSTRUCTIONS FOR USE

Purple Power can be applied in various methods including full wash systems, foam cannons and bucket and sponge method. Purple Power applies a high formulated concentrated wax leaving your vehicle with a protected finish and superior shine.

FOAM CANNON	BUCKET METHOD
Pressure wash vehicle down to remove grit	Put approx 100ml of Purple Power into 10 litres of warm water as a guide – adjust to suit as required
Dilute one-part Purple Power with three-parts water	Hose all grit off vehicle
Evenly apply the foam over vehicle using a foam cannon	Scrub and rinse off
Leave to sit for a few minutes, but don't let it dry	Dry with a chamois or drying mitt
If scrubbing is required, gently scrub vehicle top to bottom	Put approx 100ml of Purple Power into 10 litres of warm water as a guide – adjust to suit as required
Rinse vehicle with water and chamois dry	Hose all grit off vehicle

Dilution Rates

- Snow Foam 3:1 (Purple Power:Water)
- Bucket & Sponge 10:1(Purple Power:Water)

For best results finish off with Omikron Final Reflection for the show day shine.
