TECHNICAL DATA SHEET

Fantastic Plastic

Omikron's silicon free plastic, rubber and trim rejuvenator is specially formulated to bring back your vehicles surface and leaving it with that fresh new look. Fantastic Plastic is preferred by panel and paint workshops.

INSTRUCTIONS FOR USE

Clean the plastic or rubber area first. Apply the Fantastic Plastic gel to a sponge applicator, rub into the plastic or rubber surface. Apply evenly and sparingly. Use a dry rag to remove any excess gel.

For best results, reapply in a few weeks' time for a long-lasting result.

WARNINGS

Do not use on polished alloy as it will dull the surfaces.

Spot test before using on delicate areas.

DO NOT use on hot surfaces or wash in direct sunlight.
