## TECHNICAL DATA SHEET

### GRL

GRL is a fast-acting solvent based heavy-duty Tar and Wax degreaser for trucks, cars and machinery. Formulated as a slow dry and a strong blend of solvents and surfactants to effectively penetrate tar, wax and grease.

GRL is suitable for a variety of cleaning including the removal of oil and grease from chain lubes and tools, heavy-duty degreasing of engine parts as well as the removal of tar, bitumen, and thick grease without the need for dismantling.

Ideal for use on all maintenance and repair work in mechanical workshops and all types of equipment as it won't damage painted surfaces.

#### INSTRUCTIONS FOR USE

Use undiluted.

Spray or brush onto surface and leave for a few minutes to soak, keeping surface wet. Then clean off with a cloth or hose/pressure cleaner.

#### WARNINGS

- DO NOT wash in direct sunlight
- DO NOT use near open flame
- DO NOT use on hot surfaces

#### TECHNICAL SPECIFICATIONS

Colour	Red
Fragrance	Paraffinic
pH 100%	n/a
Flash point	38°C
Application	Cleaning agent

#### SAFE HANDLING AND STORAGE

When handling the product use hand/eye/respiratory protection in a well ventilated area. Keep the product in the original and closed packaging in a well-ventilated area. Store away from incompatible materials. Protect from extreme temperatures and keep out of direct sunlight. The material and container must be disposed on if a safe way.
